Happy New Year!

I hope you've all enjoyed your Christmas, and that you're all set for the New Year. For many people at the moment, though, the New Year is bringing more fear and worry than excitement and anticipation, with anxiety over jobs and housing and debts.

Representing the church, it can be very difficult to comment on something like the economic situation. It's a case of damned if you do, and damned if you don't. If we ignore the subject, then we're just not living in the real world – but if we do weigh in, we're talking about things we should keep our nose out of, because finance is one of many topics some people think the church shouldn't have an opinion on. Yet churchpeople have jobs and homes and incomes – and debts and problems, too. We are just as affected by recession as anyone else – and so, of course, it's something we too think and talk about.

That doesn't mean I've got a solution, of course – I'm not an economist, and high finance is a mystery to me. But this whole situation reminds me that the church has always taught about good stewardship: that we have this world in trust, and it's our job to look after it, and hand it on to the next generation in good condition.

That's a notion that's very familiar to farmers, of course, looking after the land, using it well to provide food and a living now, but also looking at what they'll be leaving to their successors, trying to make sure that they pass on something in good heart. That means not taking the short term profit at the expense of the long-term viability; it means using wisely, not exploiting. It's a way of life that we perhaps need to rediscover, based on sustainability, not greed.

With such major worries to cope with, it can be very easy to feel we've no energy left to worry about anything else. But good stewardship isn't just something to think about when we're doing well, in the same way that loving our neighbours, caring for other people, isn't only for when we have no problems of our own. We need to think about the long term, about the effect we have on the world around us – and perhaps, if we think about the long term, it might help us cope with the worry of the short term, and hope that the problems we see around us now will pass.

Yours in Christ

Carolyn Kennedy.

WILDLIFE GARDENING IN JANUARY

As the winds blow in from the east and north-east, they not only bring in the snow from Siberia and northern Europe, but migrating birds escaping the harsh winter there. The birds are seeking the comparatively milder climate of our country, as it lies in the ameliorating Gulf Stream.

During the autumn months, we have seen increasingly large flocks of redwing and fieldfare feasting on the berries in the hedgerows. Not just these, but other members of the thrush family including large numbers of Blackbirds and Mistle Thrushes come from the continent to the UK.

Fieldfares are large thrushes with grey heads and rumps with rufous-coloured backs. They have a harsh chattering “cha-cha-chack” call. These birds, like Redwings, arrive in October and depart in April for their breeding areas in northern Europe. Redwings are smaller than Fieldfares and so called because of the bright red colouring underneath their wings.

These visitors tend to be wary of people preferring to feed in large flocks in the hedgerows and open fields, but as the weather becomes severe they will come into gardens both for shelter and food. Berries on hawthorn, pyracantha and snowberry are eagerly sought, and any remaining fallen apples or apples put out deliberately for the birds (together with other bird food) should also encourage these visitors into our gardens.

Thrushes are not the only birds to arrive here in winter from the continent. Two other colourful visitors are Waxwings and Bramblings. Waxwings (about the size of Starlings) feed on Hawthorn and Cotoneaster in gardens and parks. They are distinctive with russet and grey plumage, black and yellow in the wings and tail, and with the males having an orange crest. These and Bramblings (like chaffinches but with orange, white, black and grey plumage) have already been seen in local gardens.

So the cold weather can bring snow but also colourful continental visitors!

BRACEBOROUGH

Sunday 6th January - Holy Communion at 9am - Please come along and join us for Holy Communion. Everyone is welcome.

St Margaret's Christmas Fayre - A huge 'thank you' to everyone who helped run stalls, made or donated items and visited us on the day. A healthy £306 was raised for church funds.

Sunday 13th January - Sunday Lunch in the Village Hall - 12.30pm for 1pm. Please make a note in your diary. A Traditional two course Sunday Roast Lunch will be served in aid of funds for St Margaret's Church. Tickets adults £7, School age children £3.50. Licensed Bar. Raffle.

Thursday 7th February, The Hut People at the Village Hall, 7.30 for 8pm. This is a hot act on the UK folk scene. With an often hilarious performance style this is a mix of accordion and mind-boggling array of exotic percussion. The audience is taken on a voyage across the globe in a show which even has Quebecois foot percussion and dancing included for good measure! Sam Pirt, accordion, has performed with Kathryn Tickell and The Dubliners whilst Gary Hammond (percussion) worked with Nina Simone & toured for 12 years with The Beautiful South. James, Janet & I have seen this act & they are good! Adults £8, Children of school age £6. Box Office 1778560417. Organised with Lincs Rural & Community Touring Scheme.

Flooding. Sad to see so much surface water lying across our roads, both within & on the approaches, of the village. Buildings flooded, as well. Also makes the already soggy & churned up grass verges even less attractive than normal! What is actually being done to resolve this continuing and unacceptable situation? The village not only suffers during periods of high rainfall, but we have loads of surface water -apparently unable to drain away- even during dry spells. Remember the road outside St Margaret's? It is rarely ever free from a huge lake of water. The area outside the Village Hall will soon qualify for a sign announcing 'Ford!' Our Parish Council has already approached the Highways Dept. but, as yet, with no tangible result. Suggest lots of people write to them, with copies to the PC. Come on you officials in the Highways Department- you have a duty and responsibility to get something done to sort this mess. It's a time for you to act. PLEASE!

Parish Plan. Work is progressing well to generate a Parish Plan for Braceborough & Wilsthorpe. A Questionnaire is in the process of being drafted which will be sent to every household in the 2 villages. Householders will be asked to complete a number of easy to understand questions and invited to make comments on a range of key issues which could affect the parish in the future. It is intended to have this available during the first quarter of 2013. Please look out for it, take a little time to complete & return it. Your opinion is valuable!

Dates for Your Diary:

10th January. Uffington Group Meeting at 7.30pm in Tallington Village Hall.

2nd March. Pot Luck Supper in Village Hall. Details to follow.

Play Area – The Questionnaire is now in the process of being delivered to all the key stakeholders in the Village for their comments. The Wind Turbine planning application has now been withdrawn. The One Way System seems to be working apart from the queues during the early morning school runs and people going to work. County Councillor M. Trollope-Bellew reported that the plans for the Tallington Crossing are to be out by March 2014 or the funding will disappear. He also reported that the Chestnut -Tree on the Essendine Road junction should be taken down for safety reasons. - The flooding on at Newstead and on Newstead Corner
- Pot Holes in and around the village

Uffington WI. 'Who are you at Christmas?' asked life coach Claire Ferrari, the speaker at Uffington WI's December meeting. She went on to explain a device called the Enneagram, which divides everyone into one of nine distinct personality types, and demonstrated these by displaying the way each might wrap their Christmas presents. So now we can all spot who's going to help with the washing-up and who's likely to throw a tantrum come Christmas Day... Members and guests were welcomed by President Maggie Carter, who thanked those who had helped out at the village school's Christmas fair. She asked for suggestions in the coming weeks as to where to hold the branch's annual birthday meeting when it comes round in March, and for ideas for outings in 2013. As usual, there will be no WI meeting at the village hall in January, but members are invited to join an outing for a meal at the Saffron Lounge, Uffington. Jenny Peear will be Uffington's delegate to the annual South Lincs Spring Council meeting at Springfields, Spalding, in March. After the talk, mince pies, wine and nibbles were served, and there was the annual 'Secret Santa' bran tub. Treasurer Pam Norwood reported that the bank balance currently stood at £902.55. The competition for 'a piece of Christmas bling' was won by 1 Mary Johnston, 2 Jenny Peear, and 3 equal, Mary Carter and Sue Naden.

BRACEBOROUGH

Clerk's notes of Braceborough & Wilsthorpe Parish Council held on Monday 10th of December at Braceborough Village Hall

A major concern was the continued flooding at Braceborough - Church Lane, Quincey's Lane, Main Road between Berry Farm House and the T-junction, opposite the cottages, and before the river bridge and flooding by the Council Houses at Wilsthorpe. Residents were critical about the patching along the edge of the road opposite the Church at Braceborough. It was agreed that a draft letter would be available for anyone who wished to complain to Lincolnshire County Council Highways Department. For more details please contact Cllr Dave Kentish at the Elms. A resident also informed the meeting that storm water was getting into the sewerage system causing sewerage to overflow into the road. It was agreed that a relative new system should not have such problems and required reporting to Anglianwater.

It was reported that vehicles were speeding through Main Street, Braceborough, usually between 8.20am to 8.40am (school run). Residents are urged to take down the vehicle number, time & road conditions and report to the Police. It is hoped that a speed check will be arranged during term time.

The 2013-14 precept will increase by 3% to £2394.00 with grants being paid to the parish Churches, Baston CE School and Braceborough Village Hall.

It was also agreed that Ian Ransom from Lincolnshire Broadband Project would make a presentation on Monday 4th February at Braceborough Village Hall, commencing at 7pm. This is an exciting prospect, but for a parish to succeed in being identified as a good place to bring Superfast Broadband as many people as possible must register at onlincolnshire.org. At the end of November there were only 12 registered from Braceborough. This meeting is also open to anyone outside the parish but please register with the Clerk by 1st February as numbers will be limited.

The next meeting to take place on Monday 4th February 2012 at Braceborough Village Hall after the presentation. All Welcome. Rosemary Woolley, Clerk to the Council. Email-bwparishcouncil@msn.com or 560634 (answer machine)
