

Local Councils in England

Annual return for the year ended

31 March 2009

Local councils in England (Parish Meetings, Parish and Town Councils) with an annual turnover of £1 million or less must complete an annual return summarising their annual activities at the end of each financial year.

The annual return on the following pages is made up of four sections:

- **Sections 1 and 2** are to be completed by the person nominated by the council.
- **Section 3** will be completed by the external auditor.
- **Section 4** is to be completed by the council's internal audit provider.

The council must ensure this annual return is approved no later than 30 June 2009.

Please complete all sections highlighted in green. Do not leave any green box blank. Incomplete or incorrect returns may require additional external audit work and incur additional costs.

Please send the annual return, together with any additional information requested, to your appointed external auditor.

If required, your auditor will identify and ask for any documents needed for audit. Unless requested, please do not send any original financial records to the external auditor.

Audited and certified annual returns will be returned to the council for publication or public display of sections 1,2 and 3.

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

It should not be necessary for councils to contact the external auditor or the Audit Commission directly for guidance.

More guidance on completing this annual return is available in the Practitioners' Guidance for local councils that can be downloaded from www.nalc.gov.uk or from www.scc.co.uk.

Guidance notes on completing the 2009 annual return

- 1 Please make sure that your annual return is complete (i.e. no empty green boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are approved by the council, properly initialed and an explanation for them is provided to the auditor. Annual returns containing unapproved and/or unexplained amendments will be returned unaudited and may incur additional costs.
- 2 Use the checklist provided below. Use a second pair of eyes, perhaps a member or the Chair, to review your annual return for completeness before sending it off to the auditor.
- 3 Please do not send the auditor any information that you are not specifically asked for. Doing so is not helpful.
- 4 Make sure that the copy of the bank reconciliation which you send to your auditor with the annual return covers **all** your bank accounts. If your council holds any short-term investments, please note their value on the bank reconciliation. The auditor should be able to agree your bank reconciliation to Box 8 on the Statement of Accounts. You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliations is available in the *Practitioners' Guide*.
- 5 Please explain fully significant variances in the statement of accounts. Do not just send in a copy of your detailed financial statements instead of the explanation. The auditor wants to know that you understand the reasons for the change. Please include a complete analysis to support your explanation. There are a number of examples provided in the *Practitioners' Guide* to assist you.
- 6 If the auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 7 Please make sure that your statement of accounts adds up! Also please ensure that the balance carried forward from the previous year (Box 7 of 2008) equals the balance brought forward in the current year (Box 1 of 2009).
- 8 **Do not complete section 3.** This section is reserved for the external auditor who will complete it at the conclusion of their audit.
- 9 Use the *Practitioners' Guide* for guidance. This publication is regularly updated and contains everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines open should you wish to talk through any problem you may encounter.
