Local Councils in England

Annual return for the year ended 31 March 2010

Local councils in England with an annual turnover of £1 million or less must complete an annual return summarising their annual activities at the end of each financial year. In this annual return the term 'local council' means a Parish Meeting or a Parish Council or a Town Council.

The annual return on the following pages is made up of four sections:

- Sections 1 and 2 are to be completed by the person nominated by the local council.
- Section 3 will be completed by the external auditor.
- Section 4 is to be completed by the local council internal audit provider.

Each local council must ensure this annual return is approved no later than 30 June 2010.

Completing your annual return

Guidance notes, including a completion checklist, are provided on page 6 and at relevant points in the annual return.

Please complete all sections highlighted in green. Do not leave any green box blank. Incomplete or incorrect returns may require additional external audit work and incur additional costs.

Please send the annual return, together with your bank reconciliation as at 31 March 2010, an explanation of any significant year on year variances in the accounting statements and any additional information requested, to your appointed external auditor by the due date.

If required, your auditor will identify and ask for any documents needed for audit. Unless requested, please do not send any original financial records to the external auditor.

Audited and certified annual returns will be returned to the council for publication or public display of sections 1,2 and 3.

It should not be necessary for you to contact the external auditor or the Audit Commission directly for guidance.

More guidance on completing this annual return is available in the Practitioners' Guide for local councils that can be downloaded from www.nalc.gov.uk or from www.sloc.co.uk.

Section 4 – Annual internal audit report to

To WIRINGTON PARISH COUNCIL

The council's internal audit, acting independently and on the basis of an assessment of risk, carried out a selective assessment of compliance with relevant procedures and controls expected to be in operation during the financial year ended 31 March 2010.

Internal audit has been carried out in accordance with the council's needs and planned coverage. On the basis of the findings in the areas examined, the internal audit conclusions are summarised in this table. | G. Salaries to employees and allowances to members were paid in accordance with council approvals, and PAYE and NI contributions were properly applied. | Yes |

Guidance notes on completing the 2010 annual return

- 1 Please make sure that your annual return is complete (i.e. no empty green boxes), and is properly signed and dated. Avoid making any amendments to the completed return. But, if this is unavoidable, make sure the amendments are approved by the council, properly initialled and an explanation for them is provided to the auditor. Annual returns containing unapproved or unexplained amendments will be returned unaudited and may incur additional costs.
- 2 Use the checklist provided below. Use a second pair of eyes, perhaps a council member or the Chair, to review your annual return for completeness before sending it off to the auditor.
- 3 Please do not send the auditor any information not specifically asked for. Doing so is not helpful. You must, however, notify the auditor with details of any change of Clerk or Chair.
- 4 Make sure that the copy of the bank reconciliation which you send to your auditor with the annual return covers all your bank accounts. If your council holds any short-term investments, please note their value on the bank reconciliation. The auditor should be able to agree your bank reconciliation to Box 6 on the Statement of Accounts. You must provide an explanation for any difference between Box 7 and Box 8. More help on bank reconciliation is available in the Practitioners' Guide*.
- 5 Please explain fully significant variances in the accounting statements. Do not just send in a copy of your detailed accounting records instead of this explanation. The auditor wants to know that you understand the reasons for all variances. Please include a complete analysis to support your explanation. There are a number of examples provided in the Practitioners' Guide* to assist you.
- 6 If the auditor has to review unsolicited information, or receives an incomplete bank reconciliation, or you do not fully explain variances, this may incur additional costs for which the auditor will make a charge.
- 7 Please make sure that your accounting statements add up! Please ensure that the balance carried forward from the previous year (Box 7 of 2009) equals the balance brought forward in the current year (Box 1 of 2010).
- 8 Do not complete section 3. The external auditor will complete it at the conclusion of the audit.
- 9 Use the Practitioners' Guide* for guidance. This publication is regularly updated and contains everything you should need to prepare successfully for your financial year-end and the subsequent audit. Both NALC and SLCC have helplines open should you wish to talk through any problem you may encounter.
