S21/1565 - Change of use from Agricultural to Equine Use (Partial) and erection of stables with hardstanding; along with the creation of a new access. Lindsey Cottage , Greatford Road, Uffington, PE9 4ST

Comment from Cllr Hutchins : whilst they have detailed there will be a sufficiently large area for a vehicle to pull off the road when entering and leaving the site, there is the possibility that large, slow moving vehicles could be pulling out close to the bend, with limited visibility of traffic approaching from Greatford. I have personally experienced cars coming round the bend on the wrong side of the road at this point
