RESOLVED

Item 8 moved to next item of discussion for Cllr Smiths report

### **3-72/25** - Outside Reports

District Matters

Bin Collection: Recent disruption on account of flooding - some bin collections may be delayed by up to three days. SKDC will collect Christmas Trees if left out on the same day as a Green Bin collection. Residents do not need to subscribe to the Green Bins in order to qualify for this.

Scheduled Green bin collections will be delayed from this week to next week (where there are no scheduled green collections). This is to free up crews to cope with the recent backlog caused by the flooding

Local Flooding: A number of properties in Greatford flooded 6th Jan. Various organisations including SKDC, LCC and the Lincolnshire resilience team helped to support the residents at this difficult time.

Community Funding Workshop: SKDC is holding another workshop for community groups on 23 Jan 2025, 6-8pm in Stamford. Free event but tickets will need to be booked. <https://buytickets.at/southkestevendistrictcouncil/1526726>

Tulips to honour airborne forces: Bulbs went quickly due to high demand. SKDC hope to run a similar project next year

Lincolnshire Devolution: Likely major restructure of local government. Lots of uncertainty at present

### **4-73/25** – Public Forum

Meeting Dates to be placed on website and notice board once confirmed all dates

### **5-74/25** – Matters Arising

#### **6-75/25** - Proposed 40mph Speed limit on Uffington Road

Uffington Council members agreed that they wished to fully object to the current proposal and ask for LCC to conduct another review to include the whole stretch of the A1175 to be included in the proposal. The pedestrian crossing point would still sit in the national speed limit and council members feel this needs examining further. A suggestion of painted speed limits on the road to be put forward to LCC. Clerk to contact Cllr Smith and Cllr Baxter

Pro: Cllr Carr            Sec: Cllr Genever

**7-76/25** – Precept 2025/2026 – Proposal for precept to be set at £6300 to cover all Council expenditure for the next financial year 2025/2026

Cllr Carr sustained from a vote to the proposal

**S24/2109 - Ms S Santos, 4 School Lane, Uffington, Lincolnshire, PE9 4SU** - Creation of a dropped kerb to allow vehicle access and removal of section of boundary wall

Uffington Parish Council members object to this proposal on the grounds of safety due to the proximity to the Primary School. The wall is also in the heart of the villages conservation area which members feel strongly that this must be protected. Clerk to raise objections with SKDC
