SOMES TRUST STUDENT BURSARY SCHEME 2019

One of the main purposes of the Somes Trust is to promote the education of young people who are either resident in Uffington or who have attended Uffington School. The Trustees are concerned that, with grants being replaced by loans and contributions being required for tuition fees, life has become much tougher for students embarking on higher education. The Trustees want to help ensure that the young people of Uffington get as much as possible from their higher education and have therefore decided to again run a Bursary Scheme for young people under the age of 23 embarking on higher education for the first time. The Bursaries will be discretionary one-off payments and are intended to help cover some of the initial costs of further education such as textbooks, equipment and deposits on accommodation. The size of these awards will depend on the number of successful applicants and the merits of the individual cases, but will not be less than £100. Applications are invited from people under the age of 23 who are entering higher education for the first time in 2019. To be eligible you must either be resident in the Parish of Uffington, or must have attended Uffington C of E Controlled Primary School. If you want to apply please write to:- The Trustees of the Somes Trust, c/o The Homestead, Greatford Road, Uffington. In your application please state which course you will be doing, which educational establishment you will be attending and what date you start. Please also say if your course is full or part time and whether or not you will be living away from home. The Trustees will need to have details of why the money is needed and what you intend to spend it on.

Applications must be received before September 1st 2019. Successful candidates will be notified before 1st October 2019.

The Trustees of the Somes Trust.

There were some delicious cakes to eat (and purchase) on the day, and in the process an amount of £145 for village hall funds was raised. Maggie's imaginative treasure hunt provided a lot of fun. The winners of the treasure hunt were Sam Taylor with sons Ewan and baby Sebastian, and the winner of the ladybird challenge were the Jackson children: Leo 8, Evie 6 and 19 months old Frankie. Thanks to all the ladies who worked hard to make this event a success, and to those who generously supported it.

BRACEBOROUGH & WILSTHORPE PARISH COUNCIL

Members of the Parish Council met at St Faiths Church in July. Cllr Morriss was thanked for tidying up the bench at Braceborough, thanks also to the person who cut back the hedge in front of the noticeboard at the same village.

Cllr Kentish reported that he was in contact with the Wildlife Trust in regards to bird boxes, it was also suggested that the Council look into purchasing a spy camera to place inside the next box.

The Council is still perusing the idea of obtaining bird nesting boxes within the parish. Cllrs have been advised that Barn Owls usually prefer more isolated areas such as a farm building, churches or remote properties. It has now been suggested that the parish look at encouraging Blue Tits and possibly Swifts but they are more difficult to attract. If you are still interested please contact the Clerk or Councillor giving your preference before the next meeting on 2nd September at St Faiths Church, Wilsthorpe.

The village verges had been cut twice by a local contractor. The Councils consultation on reducing SKDC street lights was unanimous in turning them off from midnight until 6am. It was agreed to discuss this item further at the September meeting.

The following planning applications were approved by the District:- Erection of a two-story extension at Waterworks Cottage, to alter size of a window at Oakley House both at Manthorpe, conversion of existing storage building to dwelling at Quincey's Lane, Braceborough.

A flooding issue was reported near the river bridge at Braceborough, the culvert at Wilsthorpe had been made safer and the clerk reported that both the District Councillor and County Councillor had been assisting Braceborough PCC in looking for funding to help pay for replacement of the stolen lead with an alternative material.

RAF BENEVOLENT FUND

Dear Parish Clerk,

By way of introduction I am the Welfare Projects Manager for the Royal Air Force Benevolent Fund. Given Lincolnshire's proud and historic links to the Royal Air Force you may well have heard of us as the leading welfare charity for those serving and those who have served in the RAF, as well as their families. We provide a range of support from financial assistance, independent living help to emotional and mental wellbeing support. In addition, we recently launched a new Community Connector service to tackle social isolation and loneliness amongst the RAF family across Lincolnshire - <https://www.rafbf.org/news-and-blogs/raf-benevolent-fund-launches-new-community-scheme-help-isolated-raf-veterans>

We estimate that there are approx. 50k veterans in Lincolnshire, a significant number of which will have an RAF connection. Our World War Two and National Service generation are a shrinking demographic and by 2030 we have lost 400,000 of them. It is vital therefore that we reach these individuals now and make them aware of the welfare support available to them. It is for this reason that Fund is about to launch a major reaching out campaign to raise awareness. We know that too often pride and self-reliance holds veterans back from seeking the support available. We are therefore reaching out to their families and friends - we estimate that 1 in 3 people in Lincolnshire has known someone who has served or is serving in the Royal Air Force – to get these veterans back on our radar.

It is with this urgent need to reach out and raise awareness that I am contacting and visiting Town, Parish and Borough Councils across Lincolnshire. As the most connected into your local communities, I am hoping that you may be able to play a role in getting these individuals – many of whom will be living in your community - back on our radar. This needn't be a significant effort; a poster on the parish noticeboard (*example attached, happy to send copies in the post*) an article in your parish newsletter (*press release attached*) or a link on your parish council website would be gratefully appreciated. Indeed, if any of your councillors are aware of any RAF veterans who may benefit from our support please ask them to call 0300 102 1919 or direct them to our campaign website at: www.rafbf.org. I would be happy to talk about this further and if you have any questions please do not hesitate to contact me at this email address or on 020 7307 3356.

DISTRICT & COUNTY REPORTS

Dear Residents

The County Council along with other authorities have been dealing with the flooding at Wainfleet. A new building at Lincoln has been built to house the Fire Brigade, Ambulance and Police and is proving successful. Lincolnshire Children's Services received an Outstanding Ofsted report after the last inspection which is gratifying to know that youngsters in this county are safe and well looked after by the Council. Cllrs Dobson & Trollope-Bellew were given a tour of the Deepings Fire Station and watched a training session taking place.

Both County & District Councillors are involved in trying to find a solution to the problems at Langtoft Crossroads & gritting along King Street. Highways safety is another concern associated with the BP Filling Station proposed at the Market Deeping roundabout on the A15/A1175.

If you would like to meet one of your local Councillors: Rosemary & Barry hold a surgery at The Deepings Library between 10am-noon on the first Saturday of the month apart from August and January.

If you have any concerns relating to the Dole Wood Ward (Braceborough & Wilsthorpe) please contact Barry Dobson, 01778 426649 or email b.dobson@southkesteven.gov.uk

For concerns relating to Casewick Ward please contact:

News from Uffington Village Hall. The UVH committee would like to congratulate the creative minds and the manual labourers for organising the recent Flower Festival - what a wonderful achievement and a true celebration of village life.

The colour in church this month is green.

For information on which services are being held where and by whom, please see the details in the centre pages.

The months ahead offer us a change of pace - either by choice or dictated by School summer holidays. It affects us all in many ways from changes to traffic around the villages to friends and family being away. We might get the chance to rest, or it makes us feel anxious as we don't see people as often as normal. However, we know the season will soon pass, so we only have a short time to do things differently even if it's just making a call on one of our neighbours.

I wish I could do more, but I accept that only so much is possible. There are so many events on that I don't get to see or support. Over time I hope this changes (I've not been your Parish Priest for a year yet!). The flower festival was an amazing event. I single this out because it was new. The last time it happened was over 40 years ago. All of the villages got involved and many people who don't use church regularly helped out. Thank you! I hope this helps us all understand that our seven churches are here, as am I, for everyone that lives in the parish and everyone who visits. If anything is on your mind about what I do, or what we could change then please get in touch. It's rare that church is full, but we've got close at West Deeping, Wilsthorpe and Greatford recently. And with many marriages and baptism taking place before the autumn I'm sure they'll be full again.

I'm planning two events for next year. Don't hide, as I'm not looking for volunteers!

1. For our Youth - I am arranging a week camping trip to the National Youth Pilgrimage (Walsingham Norfolk). This usually takes place in the first full week of the school holidays (when all schools are off). It's for children aged 11-17. Depending on how many youth come some adult helpers will be needed. PLEASE LET ME KNOW BY EMAIL IF YOU WOULD LIKE MORE DETAILS. It is approximately £190 per person for the week. I'm going this year on the 29th July to the 2nd August and will join 500 pilgrims for a week of activities. It's a great way to escape the pressures of school and family life.

2. For everyone – 10th, 11th & 12th July 2020 Weekend Pilgrimage to Walsingham. If you're interested then please let me know. I have reserved 10 places (full board at £140 each).

Sometimes we need to do different things before we can see how Church can fit into our lives. I hope the flower festival has done this for some people, and the planned trips will help others. Let me know if you have any other ideas or requests.
