The Rectory, Uffington

Dear All

The sun is shining, the birds are singing, the daffodils are out – spring is here! (Well, it may be raining as you read this, but it's sunny as I'm writing – that's spring in England...)

This magazine should reach you during Holy Week, with all the special services described in last month's magazine, and there's still time to come along to a service or the Good Friday walk, and of course it's not too late to celebrate Easter properly, starting with our dawn service at 6am at Wilsthorpe – and don't forget to bring something to make a joyful noise.

This is a joyful time of year, as we welcome the Good News of the Resurrection, and also celebrate the glories of creation with the beauty of spring. This year we also welcome and celebrate new ministry in the Uffington Group. Allan Crowson of West Deeping has been authorised as a lay minister, joining the Uffington Group lay ministry team – Les Baillie and Geoff and Donna Radley – who have been working so hard since the team was established two years ago. And at the end of the month we will welcome an assistant priest to the group.

The Revd Mark Thomson is coming to join us from Market Deeping, where he's the assistant curate; he's also been working in Deeping St. James. We're going to give Mark some experience of working in a rural group – and he's going to help by doing things I've been struggling with because of my ill health. In particular, Mark will be taking responsibility for the parishes I'm unable to drive to: Barholm, Braceborough, Greatford, West Deeping and Wilsthorpe, while I concentrate on Uffington, Tallington, and getting better. We'll work together to care for the parish, along with the lay ministry team, our Reader Susanna Aldred and of course the Revd Martin Brebner, who has been magnificent during my illness and should now get a rest; I hope too we'll continue to be supported by the Revds John Batty and Clive Hilton, and by all the others who help to keep the service pattern going in this group.

Mark will be licensed at a special service of Evening Prayer in St Margaret's, Braceborough, on Sunday, 26th April at 6pm, with the Archdeacon, the Ven Dr Justine Allain Chapman. There will be a 'bring and share' reception after the service at Braceborough Village Hall – Mark will be bringing friends from his current congregations, and I hope as many people as possible from this group will come along to welcome him – I look forward to seeing you there.

Yours,

Carolyn Kennedy

Broadband in Uffington Village Hall. South Kesteven District Council have a scheme to encourage local access to broadband in community venues. Tallington and Castle Bytham village halls have taken advantage of the financial support provided. They are now live and offering wireless access to users of their halls. Uffington Village Hall committee are unsure whether sufficient use of such a facility will be made to make this financially viable in the longer term. Initial investigation has shown that the projected download speed will be around 25 Mbps. Suggestions for the potential uses include: Internet café: Internet and email help/ classes: Online gaming: Large downloads: Standby system if your home connection goes down. It is expected that organised sessions would be available to suit a variety of audiences from the IT literate to villagers just wanting to get to grips with internet and email use on their mobile phone or tablet. To gauge support for this idea users and potential users of the hall are invited to use the feedback facility of the Uffington Parish Website:

<http://parishes.lincolnshire.gov.uk/Uffington/feedback.asp?catId=23156>

to express their views for and against. Alternatively phone Robert Irvine on 01780 754802. Other suggested uses would also be welcomed.

Tallington By Pass Now Group Update March 2015. Following the 2 presentations carried out alongside the Network Rail Exhibitions on the 21st and 31st January of a full by pass outline proposal we have during February canvassed all the residents and businesses in Tallington as to their view on the alternative scheme. This has been done by means of door-to-door interviews and the signing of a petition that read as follows:

As residents of Tallington we believe that there is only one sensible long-term solution for the closure of Tallington Level Crossing – A Full By-Pass. In order to protect our safety and quality of life from the increased volume and speed of traffic that will result from any in village route we support the proposals for limited housing/light industrial development as displayed by the Tallington By Pass Now Group to provide funds sufficient only to make up the shortfall in road costs to enable a complete By Pass to be built.

To date the response has been overwhelmingly in favour with 88.64% signing the petition support of the alternative proposal. This and the feedback from the interviews clearly shows that whilst most accept that the bridge is now in the correct position the strength of opinion against the road coming through the Village is overwhelming. We also gained (to date) over 200 signatures from residents of neighbouring Villages in support of the proposal. This gives us and the Thurlby family the confidence that we have the support required to get approval for a departure from the local plan from SKDC. In the meantime we have heard from Network Rail that they anticipate their funding negotiations may be prolonged by the forthcoming general election and a review of funding priorities. So they cannot keep to their planned schedule. They have also extended the public consultation period until the 2nd June. Consequently they believe there is a window of opportunity for the Thurlby family to apply for planning for the proposed development. Network Rail funding should have been in place by the Autumn of last year; however 60 years of failed attempts do not provide the land owner with confidence to commit to the substantial costs now required and to proceed further until it is clear Network Rail have their funding confirmed. With the support now in place further meetings with SKDC, LCC officers and portfolio holders have taken place along with discussions on the estimated costs needed for the missing kilometre of road. There is now the political will to achieve what all accept is the best solution, a full by pass now that would negate the need for Network Rail to bring a new road back through the Village. Further meetings are scheduled with Network Rail and also with LCC and SKDC to see what can be done to facilitate an application for planning to go forward for the development required asap. We will keep residents updated as and when there is something more to report and in meantime thank all who have helped and responded to the petition.

TALLINGTON PARISH COUNCIL

A Parish Council Meeting was held on Tuesday 10 March 2015. It was agreed that we would explore the possibility of installing 30mph passive speed awareness signs in Tallington similar to those installed in Uffington. It was also agreed that we would explore dog foul bins in Bainton Road near the River Welland. The following update received from Network Rail will be incorporated into the minutes of the meeting. You will note that following comments from the parish council and other stakeholders that the consultation periods have been flawed, the second stage consultation period has now been extended to June 2015. This will give the "Tallington Now Bypass Group" valuable time to consider and prepare their next move. We understand that the preliminary results of the recent petition indicate that very nearly 90% of households and business' in Tallington support the groups full bypass proposals. This is a significant step forward and an important statement for SKDC to consider when a planning application is submitted.

UFFINGTON IN THE COUNTY OF LINCOLNSHIRE BY NJ SHEEHAN

is a new account of the village and parish from the time of the Norman Conquest to the present day. Copies of the book are available to view in the parish church and to buy from 52 Casewick Lane, Uffington (Tel: 01780 757597; email njsheehan@doctors.org.uk). (Hardback £26.00; softback £18.50) The proceeds of all sales in 2015 will be donated to the St Michael and All Angels church fabric fund.

READINGS FOR APRIL

	Psalm	OT	NT	Gospel
5th April EASTER DAY			Acts 10:34-43	John 20:1-18
12th April Easter 2	133		Acts 4:32-35	John 20:19-31
19th April Easter 3	4		Acts 3:12-19	Luke 24:36b-48
26th April Easter 4	23		Acts 4:5-12	John 10:11-18
3rd May Easter 5	22:15-31		Acts 8:26-40	John 15:1-8

After the plainness of Lent, Easter is white and gold with flowers galore. Usually, the readings for communion services are the NT and Gospel, and for Morning or Evening Prayer the Psalm, OT and NT, but in Eastertide the reading from Acts is compulsory – and of course the Gospel tells the Resurrection stories. So, at all services from Easter onwards we will read Acts and the Gospel, plus the psalm at non-communion services.

Further advice is being sought before consideration is given to applying for grant assistance and extending our fundraising efforts. The Last Supper

7 pm, Thursday 2nd April,

in Braceborough Village Hall

Tickets £2, family ticket £5, to cover a light supper

This year we're going to share a meal and service following the pattern of the early Christian church, the first followers of Christ.

When Jesus met with his friends in the first Holy Week they shared a meal and fellowship, eating and chatting, before the meal became special and significant in a new way, as Jesus blessed the bread and the wine and gave it to his disciples. We will do the same thing, sitting at table together and sharing a simple meal of bread, cheese and fruit and a glass of wine before hearing the story of that Last Supper and moving on to a celebration of communion, still seated at table.

We will also re-enact some of the other events of that evening. Just as Jesus washed the feet of his disciples (shocking them, because they thought he was too important to do that for them), so the tradition is that the most senior clergy wash the feet of at least some of those present at the service - in a cathedral, it would be the bishop or the dean. Here it will be the Rector (NB having your feet washed is not compulsory - volunteers only!). And at the end of the evening, as Jesus and the disciples went to the Garden of Gethsemane to pray, we move on to the church, where traditional psalms will be read and the altar stripped, ready for the bleakness of Good Friday.

If you'd like to find out more about the Last Supper, and how communion as we know it started, why not come along and find out. This celebration is open to everyone, whether they've been confirmed or not, and is a family occasion where children are welcome (it will go on until at least 8.30pm, but families can opt out of the time in church). Tickets are available from the churchwardens or the Rector - please do book, so that we know how many we are catering for. Also, please note that this is a *light* supper - you'll need to eat beforehand.

UFFINGTON PARISH COUNCIL

Report from Parish Council Meeting held on Wednesday,
25th February, 2015 in the Village Hall.

There was no further news on the Tallington Bypass, there is to be another meeting in March at Tallington to discuss this further.

The Reactive Speed sign is now up and running it is hoped that everyone is now obeying the speed limit! Up to date £95 has been received in donations from villagers which the Parish Council thanked them. Any more donations would be gratefully received.

The Play Area is progressing, more grants are being applied for, it is hoped that this will be in position by the summer is everything goes to plan.

The pot holes on Newstead Lane, Greatford Road on the "One Way" stretch of road have been reported again. Also LCC have been asked again when the piece of footpath near the school gate on School Lane is to be resurfaced.

South Kesteven Local Plan 2036 – "Helping to shape the district" . The consultation paper is being published and it was agreed that the Parish Council would have an input into this plan.

Planning permission had been received for

Installation of decking and log cabin – 7 Main Road.

Alterations to domestic garage and conversion of loft to personal office – 1 Manners Close.

1st floor and single storey extension and internal alterations – The Lodge, Casewick Park

The following application was discussed at the meeting - 1st floor extension, Sandon, Essendine Road -There was **no objection** to this.

Concern again was raised regarding the safety of school children crossing the main road to catch their bus and parents parking in the bus lay by. The schools concerned have written to the parents asking them to stop this practice and park in the Bertie Car Park and also asked the children to be vigilant when crossing the road. Our PCSO has also been asked to monitor the situation

Nomination papers are now available for Parish and District Council elections on 7th May, 2015.

Dist. Cllr. Cooke report that the Council Tax would be frozen again for the next financial year.

County Cllr. Trollope-Bellew reported that Council Councillors allowances were to be raised. He also reported that the NHS were hoping to spend 8.2/9.5 million on Stamford Hospital and make it available for more cases and that they were envisaging charging for parking. It was pointed out that as free parking was available at Morrisons next door this would be a pointless exercise.

Date of next meeting Wednesday, 15th April, 2015 at 8pm in the Village Hall.

WILDLIFE & GARDENING IN APRIL

The Green Woodpecker is our largest woodpecker and its name provides a good description of the bird. It is mostly bright green, with some grey/brown tail feathers and black and white tips to its wings. The bird has striking red feathers on its head like a cap, and a fearsome-looking beak!

It is commonly known as the Yaffle as a result of its loud ringing call, often heard in spring, and which can sound almost like laughter. Its other name is the rain bird, possibly because its call can be heard more clearly in the atmospheric conditions before rain arrives.

The Green Woodpecker is widespread throughout England, Wales and southern Scotland, and is found in or around broadleaved and mixed woodland, heaths, commons, farmland, parks and large gardens.

Despite being members of the *woodpecker* family, they spend much of their time on the ground, feeding on large lawns and other open grassy places. The Green Woodpecker feeds far less on insect larvae in timber or under bark than most of our other woodpeckers, and prefers to seek out its food in grassland. It eats ants, ant eggs and larvae, and other insects, using its long, sticky tongue to probe nests in the grass.

One of us lives in Greatford, and the garden here has a small area of wildflower meadow. Over the last couple of years a number of large anthills have developed. These are regularly raided by a very handsome Green Woodpecker, who also helpfully explores other parts of the garden!

Green Woodpeckers occasionally take fruit such as apples, cherries and other fruit, and grain, and have been known to damage beehives in trying to get at the grubs. They also eat acorns, and are known to bury them too – a snack for later perhaps? However, some of these get forgotten and, in the right place, these acorns can germinate and grow into oak saplings.

On the whole a handsome – and useful – bird to visit the garden! **Donna and Tim**
