Happy New Year!

I hope you've all enjoyed your Christmas, and that you're all set for the fresh start of a New Year.

I've had a number of conversations lately about the 'extra' services that people don't always realise are available, and as I haven't written about them for a while, I thought it might be time for a reminder of some of the great variety of services we can provide, in addition to the normal Sunday ones, and the baptisms, weddings and funerals everyone knows about.

For example, if you really want to make a fresh start to the New Year, did you know that the Church of England can provide individual confession and absolution? Not many take the opportunity, but it's always available to anyone who needs it. Or how about if you've started the New Year in a new home? There's a service of blessing for a new home to mark the occasion and get you off to a good start. Other things can be blessed, too - from a new extension to a tractor to a replacement wedding ring to a present for a baptism or confirmation - all you need to do is ask. I've got a whole book of blessing services - you'd be amazed what's included!

I've mentioned blessing a wedding ring when the original has been lost - the marriage itself can be blessed, too. That could be a renewal of vows for a silver, ruby or golden wedding, a re-dedication after a rough patch, or a blessing for a couple who didn't get married in church but would like a religious ceremony now - whether they've been married a few days or weeks or for years. And did you know there are services celebrating the gift of a child, which can be used if you're not sure about baptism, but also if you've adopted a child and would like an official celebration, or if the baptism was held elsewhere and you'd like a celebration here, too.

There's a variety of services, too, for people who are ill. Anyone unable to get to church can always have communion brought to them at home, of course, but there are also special prayers and anointing for healing, to be used with or without communion, and services for particular occasions - like the one for someone too ill or frail to get to a funeral. And then there are the one-offs to mark all sorts of special occasions - retirement, engagement, the starting of a new group or the closing down of an old one, sending someone off on a special journey. The possibilities are endless.

Most of those services could take place in church - but none of them has to. I've renewed marriage vows at a silver wedding party, taken services in homes and halls, and blessed things all over the place. Whether you're celebrating or in more sombre mood, why not let the church help you mark the occasion - we're here to help.

Yours in Christ

Carolyn Kennedy.

WILDLIFE & GARDENING IN JANUARY

Happy New Year! We wonder if you have been garden planning for the year ahead? Do you have a wall, tree, fence, pergola, arch or other such structure, and wish to cover it with attractive greenery and flowers? Well now would be a suitable time to plant a climbing or rambling rose. Choose a bare root specimen, as these tend to be cheaper than container grown plants. Follow the planting instructions, usually supplied with your rose, and get them in the ground as soon as possible.

These two types of rose are somewhat different beasts - ramblers tend to flower just once in the season, and are generally very vigorous. Popular varieties include 'Rambling Rector' and 'Kiftsgate'. They can be good for growing into tall trees. Climbing roses usually repeat flower, and are generally better behaved in growth than their rambling cousins. To name just one - 'Madame Alfred Carriere' is a good variety. When choosing a suitable rose for your garden, calculate the maximum height of your structure. If you plant a hugely vigorous rambling rose up an arch for example, you will be forever pruning, trying to keep it within bounds. If you only have a relatively low fence or wall, you can plant something like an English Rose, from David Austin, which are essentially bush roses, but with little formative pruning will grow as low climbers (e.g. 6-8 feet tall).

Both types of rose are great for wildlife. They give good structure, provide valuable bird nesting sites, and the hips are a good food source for birds and small mammals etc. In general the best roses for bees, are those possessing single petals, similar to their wild-rose cousins. These allow insects to get into the flower to obtain nectar and pollen. The climber 'Altissimo', which has large single red flowers, is a good example. However many of the multi-flowered varieties are also okay, so long as the petals don't bunch too tightly, thereby covering the flower centre. The variety 'Madame Isaac Pereire' is an example of this. Although it has bunched petals, you can still see the yellow centre of the flower, and it is a magnet for bumblebees. Some rose growers websites (such as Peter Beale's) will helpfully tell you if a rose variety is valuable for bees and other wildlife.

BRACEBOROUGH & WILSTHORPE PARISH COUNCIL

Wishing everybody a peaceful, happy and healthy New Year.

A Parish Council Meeting was held on 8TH December 2014 at Braceborough & Wilsthorpe Village Hall.

The ownership of dykes was discussed during the Public Forum. The Chairman suggested that for clarification residents should check with the local drainage authority and speak to the landowner on the open side of the ditch. Cllr Kentish apologized for not consulting with property owners.

The clerk informed the Councillors that 19 sites have been approved to place passive speed signs within both villages. Pot holes at Wilsthorpe had not been dealt with.

It was proposed that the 2015/16 precept be increased from £2442 to £2490. The request from St Faith's Church PCC for a grant towards the maintenance of the Churchyard was agreed for payment during the next financial year. No other requests had been received.

It was decided that no objections be made in regards to planning application to the demolition of the lean-to storage shed & erection of single storey extension at Ivy Lodge, Braceborough.

It was agreed not to proceed with the offer of 100 sandbags & sand. It was reported that LCC Contractors had not repaired the verge alongside The Elms, Quincey's Lane & the drainage & gully on Church Lane. Fly tipping was again a problem on the Carlby Road towards Greatford. It was reported that the Anglianwater Contractors left Wilsthorpe Road in a mess after felling the trees in the spinney where the pumping station will be situated. It is hoped that the Parish Plan will be ready to go to the printers in the New Year.

D.Cllr Channell gave a report on the survey conducted at the site of the new pumping station at Wilsthorpe. C.Cllr Trollope-Bellew reported that Network Rail would be giving an update on proposed closure of crossings at Tallington, Casewick footpath & Greatford/Banthorpe in January. Lincolnshire Police had requested extra funding to be able to balance the books.

The next Parish Council meeting will take place on Monday 2nd February 2015 at 7.30pm at Braceborough & Wilsthorpe Village Hall. All Welcome.

Rosemary Woolley, Clerk to the Council

TRUESDALE WARD

Dear Resident

Network Rail will be holding a presentation for the closure of level crossings in the area at Tallington Village Hall on 21st January between 4pm-8pm and 31st January between 11am-3pm. As District Councillors we can help achieve the best possible outcome for Tallington only if the majority of its residents support one proposal. This affects everyone who lives in the ward so we urge you to go and look at the results of Network Rails earlier consultation. I would like to congratulate Malcolm & Popsy Wells for an excellent evening's entertainment at Greatford Village Hall in aid of a Defibrillator for the village. Martin & I were unsure what we had agreed to support (as were many on the same table) but we were not disappointed. Those who didn't come, you missed a wonderful night. Again many thanks to all who helped make this such a success. If you have any problems relating to the District Council, please do not hesitate to contact either Rosemary Woolley 01778 560634 or Kelham Cooke 07940 187 426.

BARHOLM & STOWE

I would like to thank everyone who contributed towards the fireworks held in Barholm in November. The money raised has been donated to The British Legion. Thank you. Rosemary

UFFINGTON

Uffington WI. Uffington WI skipped ahead of Christmas and made themselves floral calendars for 2015 when they held their December meeting at the village hall. Their tutor was Janice Bedford from Bourne Craft Club. Afterwards there was wine and mince pies, and the traditional Christmas present 'bran tub'. The hall had been beautifully decorated with seasonal foliage and a decorated tree. A competition for a decorated Christmas napkin ring was won by 1 Sue Naden, 2 equal Pam Norwood and Penny Seymour, and 3 Marion Francis. President Maggie Carter outlined the aims of Esther Rantzen's Silver Line phone befriending service for the elderly and asked any member who would be interested in a volunteer role to contact her. The branch will be holding its 70th birthday dinner in March at the Garden House Hotel, Stamford. Menus will be available later. There is no monthly meeting in January, so the next will be on February 4th, when David Dykes will speak about the Cambridgeshire poet John Clare.
